Missy there are many things like to say but can't seem to say it all in such short of time all I can say is make the best out of your senior year because it's your best. But for right I wish you all the happiness in the world and well success.

FACULTY

The teachers wanted to teach and the students wanted to learn. Though this year started out differently, the strike didn't interfere with the student - teacher relationship here at San Jose High. After the strike they joined with the students and have supported them all the way to become more involved in classwork, class cooperation, activities, clubs, and sports. Our faculty is not like any other faculty. They use much of their spare time to help the students in their efforts to get the absolute most from four years of high school.

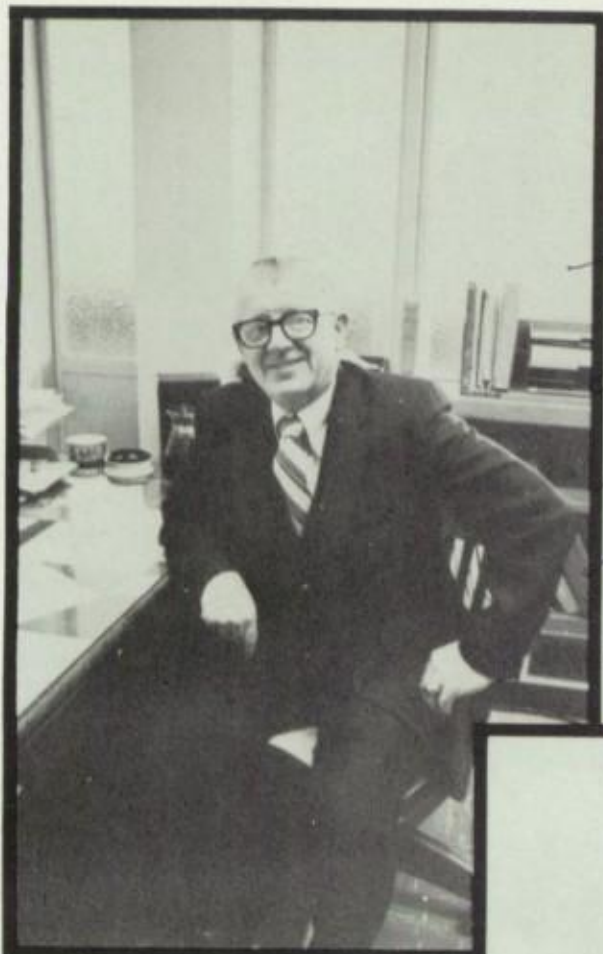

Misses
I look forward
to working with you
next year - enjoy your
summer!

SPIRIT WEEK!

"The dawning of a new spirit at SJHS — and what a way to show it! Spirit Week proved to be the best one ever! Bulldog Pride was displayed all week with "Show your Class' Day, the Powder Puff Football Game, Red and Gray Day, the Big Bone Rally, and of course, the traditional Big Bone Football Game vs Arch-rival Lincoln on Thanksgiving morning. What a time to remember!

POWDER PUFF FOOTBALL

The Senior girls challenged the Women Faculty to a Powder Puff Football game. Everyone came out to watch the Senior "Cheerleaders" root their players to victory over the faculty by a score of 6-0. "Balloons Brasher" cheered on the faculty. The Officials, Mr. Hawkins and Mr. Morales did their best to officiate the game "fairly"!

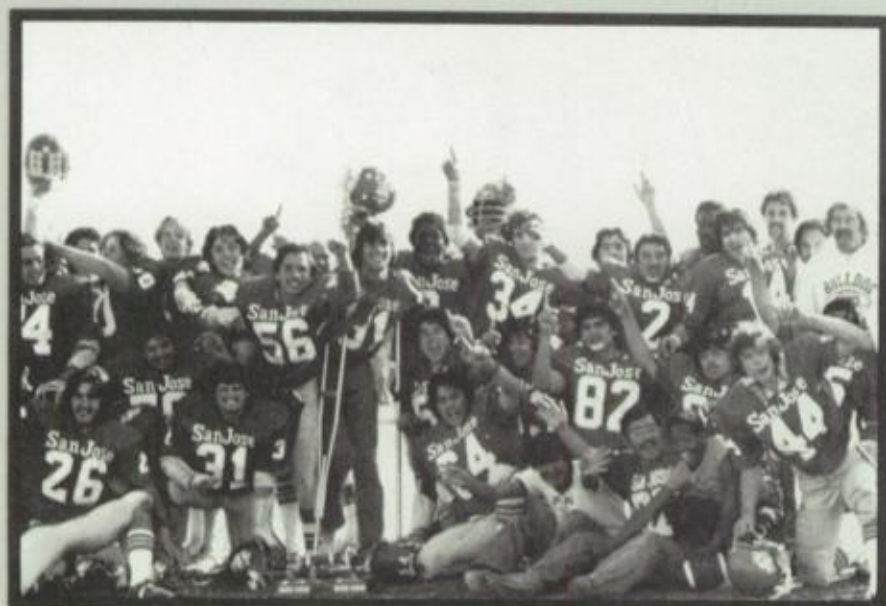

Nothing will ever top the excitement, spirit, and pride found at the Big Bone Exchange Rally in our own SJHS Gym! The cheers, Pep Band, and inspirational speeches helped get us ready for the big game!

BIG BONE TIME!

"Throughout the stands, our banner's waving Red ' Gray!" And waving, they were! The tremendous enthusiasm displayed by the crowd, led by the Rally Committee, Pep Band and Pep Club helped create the mood for our Bulldogs to "Lock up the Lions" by a score of 28-6!

TORCH AND LAUREL

Torch And Laurel, San Jose High School's society to honor outstanding young women, was founded in 1914 to recognize the first female student body president, Alice Dewit. Candidates for membership are nominated by the members of the faculty. A cumulative grade point average of 3.00 is required.

God's Lent Child

I'll lend you for a little while a child of mine, God said,
For you to love thy while he lives, and mourn for when he's dead.

It may be six or seven years or forty-two or three:
But will you, till I call him back, take care of him for me?

He'll bring his charms to gladden you, and (should his stay be brief)
You'll have his lovely memories as solace for your grief.

I cannot promise he will stay, since all from earth return:
But there are lessons taught below, I want this child to learn.

I've looked the whole world over in my search for teachers true,
And from the things that crowd life's lane I have chosen you.

Now will you give him all your love? Nor think the labor vain?
Nor hate me when I come to take this lent child back again.

I fancied that I heard them say, Dear Lord thy will be done;
For all the Joys thy child will bring the risk of grief we'll run.

We will shelter him with tenderness, we'll love him while we may,
And for happiness we've known forever grateful stay.

But should thy angels call for him, much sooner than we've planned,
We'll brave the bitter grief that comes and try to understand.

HALLOWEEN COSTUME DAY

Witches and goblins, ghosts and ghouls, (and a few others), all helped celebrate Halloween by dressing down and coming out to the Senior Lawn for some Halloween festivities. The winners of the class competition were: Pumpkin Seed Spitting; the Sophomores; Pumpkin Pie Eating; The Sophomores; Carmel Apple Eating; The Juniors; and Pumpkin Carving Contest; The Seniors. The Costume Competition was won by the Senior Class. What a day to remember!

FOOD-FUN-FROLIC

THE BILINGUAL DINNER

On November 5 of this school year about 250 parents and students attended the sixth Potluck Dinner and Cultural Evening organized twice annually by the Bilingual Program Staff at San Jose High. In attendance were many teachers and instructional aides. Many of the members of the bilingual staff participated in the evenings program. Everyone enjoyed the delicious Mexican, Portuguese, and Vietnamese foods brought by parents and staff. After the dinner a play in Portuguese was put on by the Portuguese students which was followed by dancing to the rhythm of a very popular local orchestra.

The Continuing Saga of

HAPPY ACRES!

Yes, it's that time again - time for the Happy Acres members to be allowed to get out into the "real world" for a change of pace. This year they've decided to get some food. Most of the original members have been released since their last excursion. The only returnees are Sisters Rose Del Alto, Gregoria Lopez, and Angela Rocco. (and *who knows* when they'll be released!) But there are lots of new members!

And here they all are - anxiously awaiting the signal to jump out of their extremely cramped quarters and into their only chance for excitement this year.

Well, they've been allowed out, but will they be allowed in the restaurant? They've decided to pose for a picture while waiting for the work from the management. The man walking into the restaurant was "convinced" to ask if the crew may enter. (By the way, his hair was *black* before he met the Happy Acres members.)

They've been allowed in! Under one condition, however. They must sit in the maximum security section - away from the other customers. (Notice the bars on the windows.)

Here we have, (from left to right), Brothers Robert Cortez, Rory Lane, Gabe Palma, Sal Cortez, Fred Andres, and John La Rosa. They like to think they are the

Knights of the Round Table. Sister Annette De Faria, (in the foreground), is in shock from all the men. She prefers to sit and stare. Wonder what she's thinking?

Here's Sister Annette again. She's regained consciousness after a few drinks with the fellow members; Brother John La Rosa, Sister Arlene Terra, and Brother Eric Hermismeyer.

Brothers Richard Traynor, Mike Lopez, James Benevides, and Sam don't talk much. They just sit and drink.

Sister Gregoria Lopez is practicing her pose for the beauty contest she plans to enter if and when she's ever released from Happy Acres. Sister Michelle Hickey just blushes at the thought that her picture is being taken. Sister Angela Rocco is extremely stubborn. When asked to smile, she only smirks. Sorry, but what Sister Hilda Peixoto is saying to the photographer can not be printed.

Because of their calm, quiet nature, Brother Abel Cavazos, and Sisters Cecilia Manzo, Rosalinda Gomez, Cora Castro, Rose Del Alto, and Alicia Vasquez were allowed to sit away from the rest of the group. They had a guard with them, just in case. Can you tell who he is?

As their outing came to a close, the members of Happy Acres wanted to take one last picture together to remember the day until their outing next year. Some members of the group are rather paranoid that they will be taken back before the rest of the group - so they keep a lookout for any suspicious people.

Oh, in case you're wondering what the clan does when they're at home, here's a little of the run-down:

CROWN AND SHIELD

Crown and Shield is the men's honor society, giving recognition to those young men who have achieved academically and who have contributed to San Jose High School through their participation in school activities.

Mr. Richard Hawkins, Ryan Sakoda, Stuart Hirose, Wayne Hane.

The combination of clubs and activities at San Jose High makes for the kind of year that gives people the most pleasure. Activities like Day on the Green, The Afternoon Faculty vs Senior Soccer Game, the day the Easter Bunny came to school, and of course the Senior/Junior Ball, have filled our minds with lasting memories.

SPORTS

SPECTACULAR

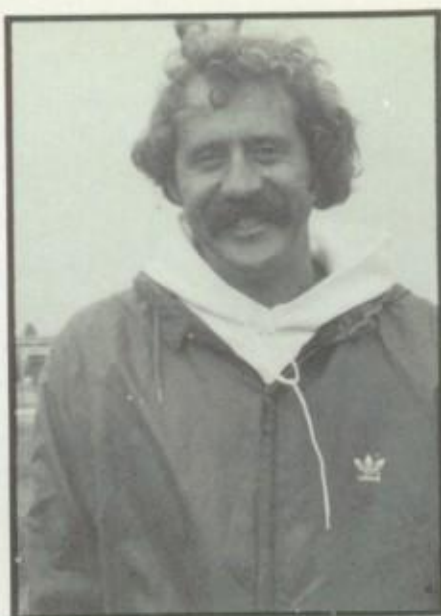

A year in sports with the Bulldogs! From the very beginning with a successful football season, right up until the end, every sport participated in helped to create a new spirit at San Jose High.

Gale Bach

Gary Rossman

Bob Picazzo

We started the season with Harbor High from Santa Cruz and ended with Lincoln in the Big Bone Game-a good start and a better ending.

A 45 to 0 win against Harbor was a result of hungry Bulldogs. Senior Jacque Robinson ran for two touchdowns and caught 2 more for scores. Sophomore Booker Moore caught one and ran one touchdown in for his first scores as a Bulldog. Senior Margarito Garza caught another touchdown pass. All touchdown passes were thrown by Senior Jimmy Barrales. The Bulldogs opened the next game with league play against Willow Glen. That game our defense was tested to its fullest with three goal line stands. The outcome saw a 94 yard run by Robinson and a 78 yard pass and run from QB Barrales.

The non-league game with Piedmont Hills was a thriller. Barrales threw 2 TD passes; one to Robinson and to Garza. Running scores came from Teixeira and Robinson. Jacque had one of his better games rushing for 230 yards.

The last and most rewarding game was the Big Bone. This was the best defensive game the Bulldogs played headed by Scott Raffin, Joe Teixeira, Ray Gonzales, Garza, John La Rosa, Eric Hermesmyer, Art Flores and Joe Morgado. All scores came from Robinson, 3 by rushing 57 yards, 8 yards, and 31 yards and a 67 yard punt return.

I would like to express thanks to all Varsity Football players for the 1980 season, the Spirit Committee for support and assistant coaches Gail Bach and Bob Picazo.

Thank you,

Coach Rossman

FROSH- SOPH PUPS

The unexperienced Frosh-Soph Bullpups grew throughout the season to become a team that has shown improvement and team spirit. Next year promises to be even a much better and stronger team. Joe Rose, sophomore defensive linebacker and offensive tight end, was a stand-out during every game he played. Zeke Mendez, Joe Rose, Frank Martin, and Mingo Rodriquez all made first team all-league. A DREAM COME TRUE

This year's Varsity Soccer team will go down in history as one of the best teams, if not *the* best, in the Central Coast Section. Our team won three titles: STAL Champions, CCS Region III Champions, and the most important title ever brought to San Jose High in its history, CCS Champions.

This year's team was not only made up of outstanding players with skill, finesse, and style, but also with gentlemen who showed unity, dedication, and pride in all they did on or off the field.

The J.V. team started the season void of experience. The only returning player Patricia Loreda brought with her "SPIKE POWER". The additional members of the team all learned a great deal and hope to win a few matches next year.

"We almost had 'em" . "They weren't that good, we should've beat them." If you were out on the girls tennis court anytime during the 1980 San Jose High girls varsity tennis season, you might have heard one of these quotes from a team member, or even saw some racquets thrown here and there. Although the girls didn't win a match they were always out on the court with a good attitude and giving it their best shot. The 1980 roster consisted of: first singles, Rhonda "Zoomer" Vargas, second singles, Debbie Krueger, third singles, Valerie Moore, and fourth singles, Lisa Perkins. The doubles team were: first doubles, Anita Rangel and Christine Garcia, second doubles, Lorraine Renteria and Liz Rodriguez, third doubles, Rosa Flores and Maggie Hernandez. The team improved from slaughtered 0-6 in matches, to being beat 2-4 and 3-4. The team looks forward to a great season next year with the coaching of Mr. Gilbert Mendez and Mr. Gary Moreno.

SOCCERETTES

This year's team was very aggressive and full of spirit. We had several new players who had not played before and several freshmen playing varsity. We were in every game until the end. The team never gave up. Next year's team looks very promising based on the talent we had this year and the skill development that will take place.

1980-1981 Varsity Wrestling Team

The 1980-1981 wrestling season proved to be very successful for the San Jose High Wrestling Team. The varsity team lead by John Soto, Ed De la Paz, and Ray Gonzalez finished their season with a 4-1-1 dual meet and 2nd overall in the league, behind Leland. Finishing second in the league championship, one at 145 lbs. with Ed De la Paz and the other at 245 lbs. with Ray Gonzalez. Along with De la Paz, and Gonzalez, San Jose qualified five other wrestlers to the CCS Region Tourney: John Soto, Abel Colunga, Edwin Pina, Tim Soto, and Mike Lopez. From the Region Tourney; both Soto, Colunga, Pina and De la Paz qualified for the CCS Section Tourney at West Valley College. At the CCS section finals only one wrestler qualified for the California State Wrestling Finals in Chico. John Soto. John wrestled extremely well at the state finals and wrestled through three rounds, but failed to place. John is a two state qualifier.

There were two main highlights to this year's season. The first took place in a dual meet against unbeaten Live Oak. With San Jose losing by six points going into the last match, Ray Gonzalez pinned his opponent to tie the team score and also got revenge on the wrestler who had beaten him two weeks before. The second highlight took place in the CCS section Tourney. Needing the win to get into 3rd & 4th place John Soto defeated previously unbeaten Tony Foo from Leland 2-1 & then defeated a Gilroy opponent for 3rd place. Congratulations to the San Jose Wrestling Team for an outstanding season.

HART'S COMMENTS

The 1980-81 season was hi-lighted by the best pre-season record of a San Jose High Basketball team. It was climaxed by beating Gorman High School of Las Vegas 84-79 in overtime for the championship of the Reno Tournament and brought a 4th rated ranking in CCS. The Bulldogs finished Pre-Season with a record of 9-2.

The second part of the season was somewhat disappointing as we finished 2nd in league play with a 7-5 record after working to repeat as STAL Champions. The disappointment was offset by the fine young men who played. They responded well to failure throughout the year and continued to work very hard at every practice and in each game. I've never coached a more compatible group or a group of players that worked as hard as these fine young athletes.

Next season promises to be a very hopeful year, as the returning sophomores have made a commitment to win the CCS. It will take a lot of hard work and much self-discipline.

"ONCE IN A LIFETIME"

No winner, but no loser in CCS boys' soccer decider

For 120 minutes, in the cold, the rain and the wind at San Jose City College, Saratoga and San Jose, the Central Coast Section's two finest high school soccer teams in 1980-81, battled tooth and nail for the right to be crowned the best.

And when it was over — it still isn't over.

That's because the Falcons and the Bulldogs, two teams that hadn't scored a single goal to be scored against them in CCS tournament play, had yet to allow the other to score.

Through two 40-minute halves, 10-minute overtime periods and 10-minute sudden death periods, Saratoga, champion of the De Anza Athletic League, and San Jose, king of the Santa Teresa Athletic League, took turns launching attacks and counterattacks to no avail.

Originally, the game was to be decided by penalty kicks at that point. But by then darkness had fallen over the City College field, prompting Section officials to declare the game a tie and schedule a rematch for Tuesday.

The tie was the third for both sides this season. Saratoga's record moving to 17-2-3, San Jose's 14-4-3.

Saratoga earned its crack at Watsonville, a two-time CCS champion and considered by many to be the darkhorse favorite in this year's tournament. 134 CCS Champs

After just missing on a first half shot that hit the left goal and

goals, the second coming on a cross, the pass from Danny Eriksson.

Yerker Ahlenback added icing to the cake with a goal off another assist by Eriksson.

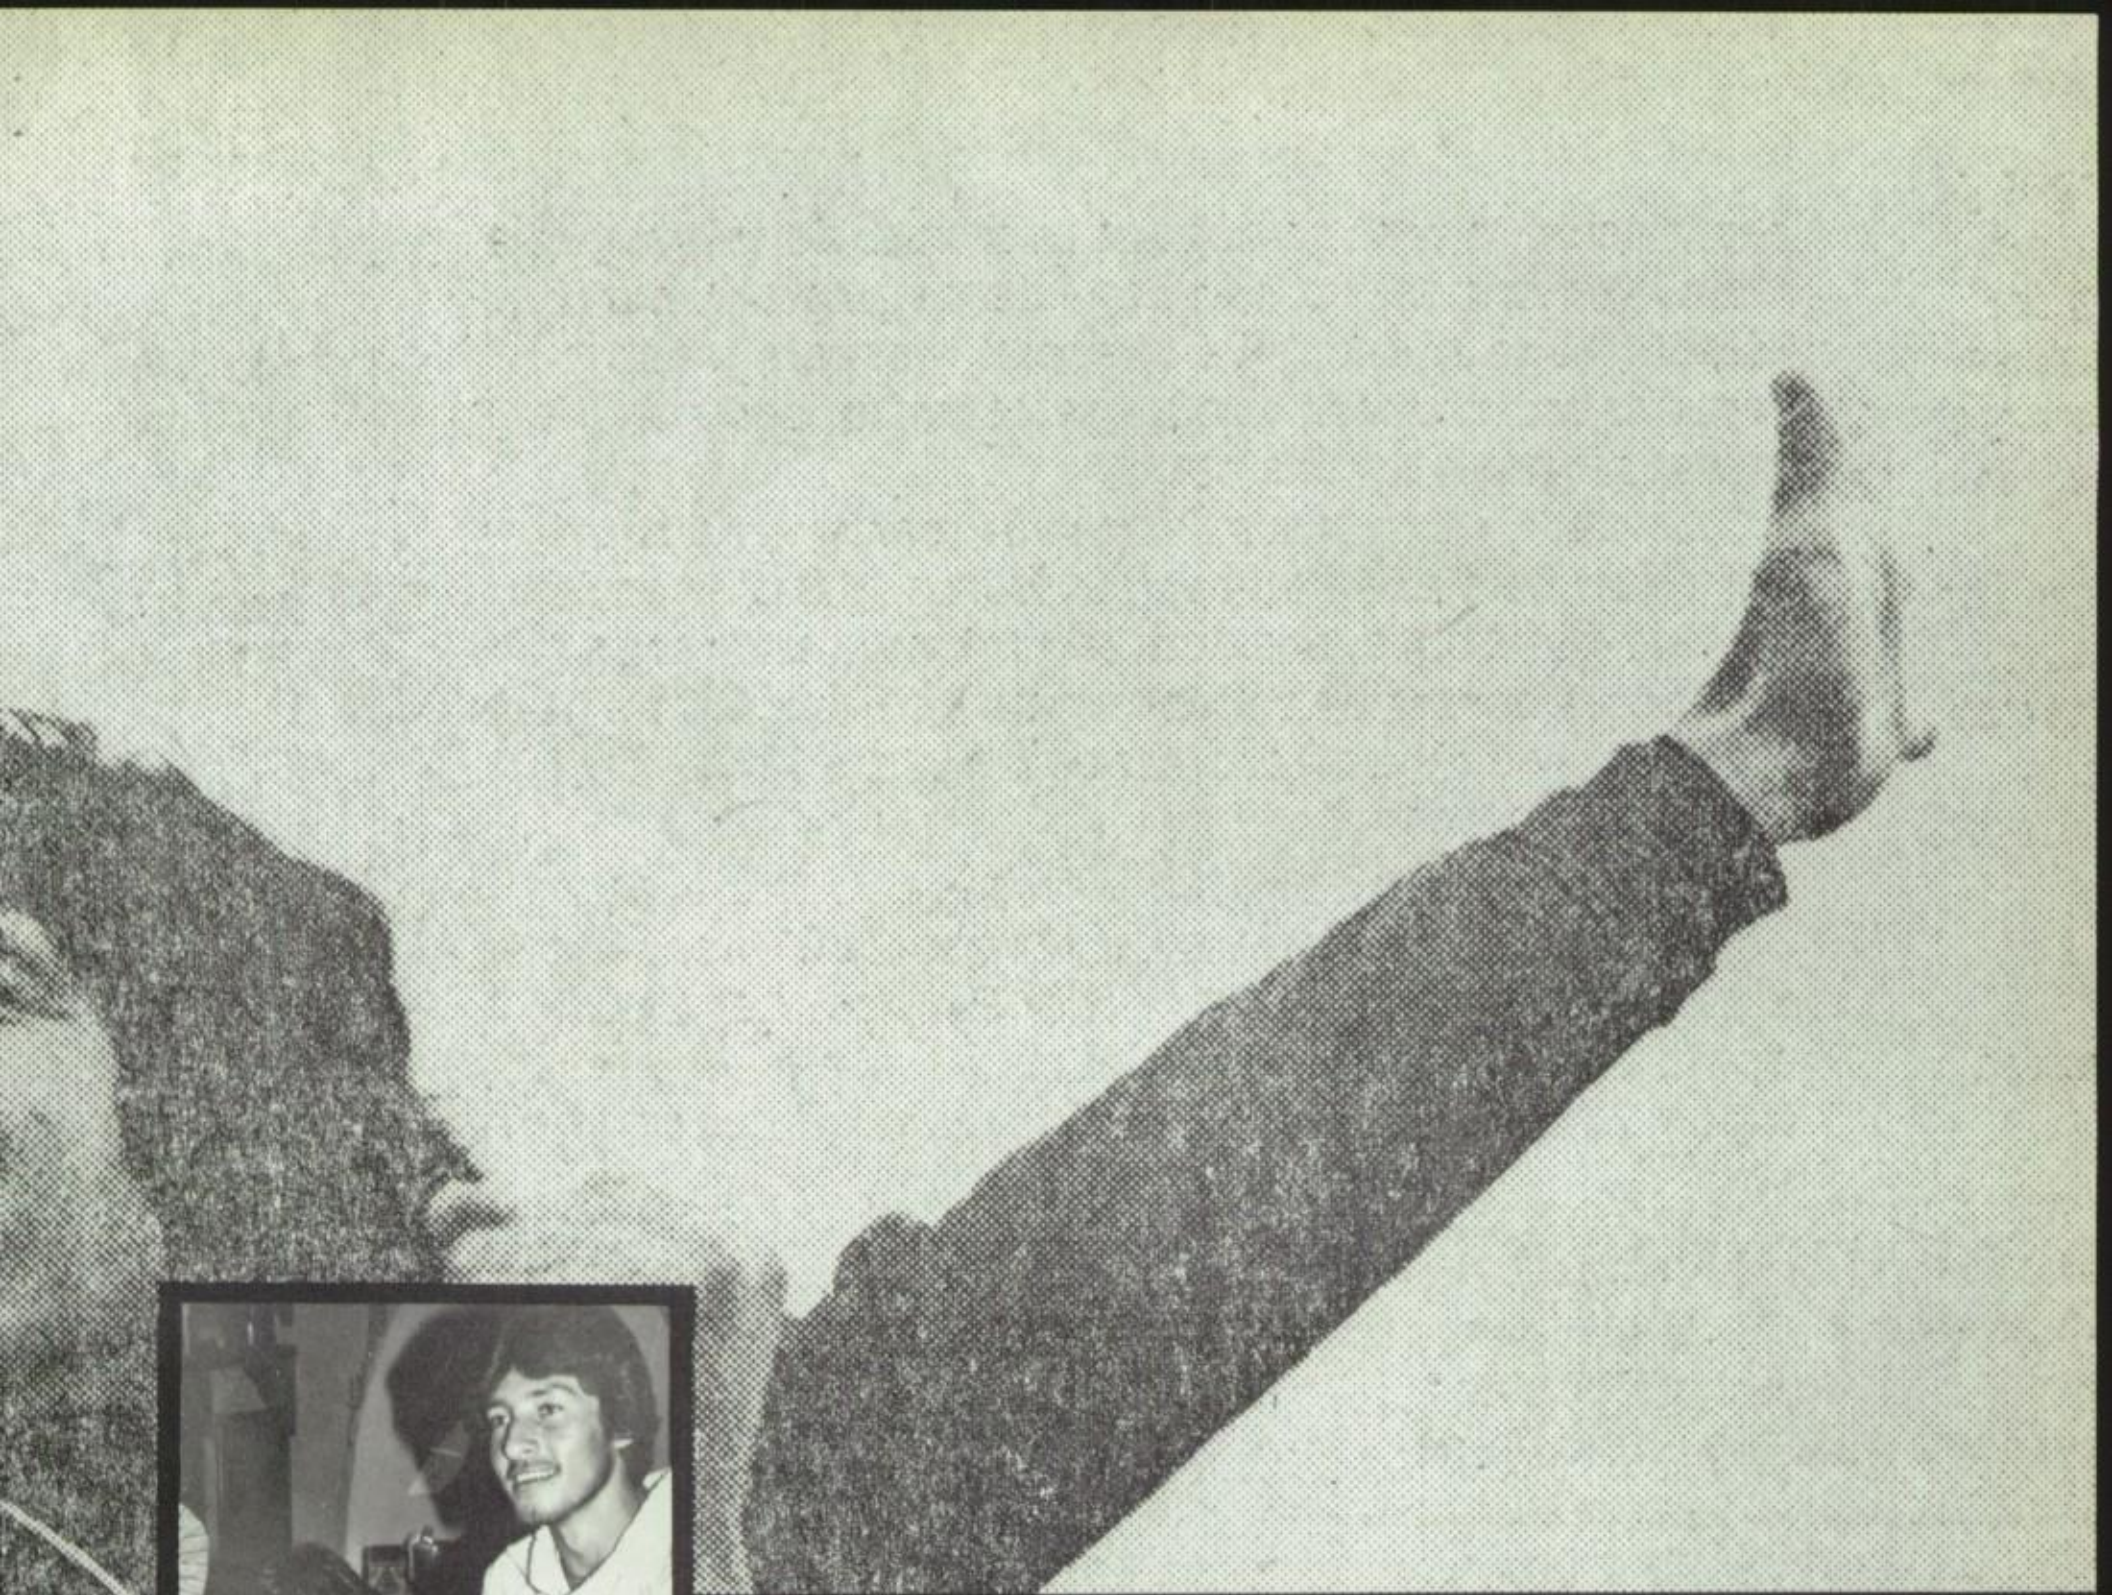

Saratoga peppered Watsonville's goal with 18 shots on the net and

while San Jose was limited to 12 taken by the Bulldogs.

San Jose, while advancing to the championship round with a goal off a cross, topped over Mid Peninsula Athletic League champion Aggie.

That combination of offensively and defensively skill, confident attitude and play, and quiet maturity, has put Josh Peter in the forefront of the East Mercury New Zealand Cup. Selection is a matter of time.

"He has such good ball control, it's so good to take the ball away from him," said Bova. "It's his size and his intelligence. He's a very cool player. When someone is in a shooting situation, he settles the ball in his hands and makes a nice pass."

"He's a nice kid, a nice person. He knows a lot. Even when we scrimmage, he likes to lose. He's very competitive. And very proud."

FROSH - SOPH GETS READY!

1980-81 FROSH-SOPH BASKETBALL

This year our frosh-soph team was unable to play consistently because of our lack of experience. Our record was 6 wins 16 losses. We won 3 preseason games and 3 league games. We started the year with a win over Andrew Hill 50-41. Sal Cortez was the leading scorer with 27 pts. Our next win was 38-36 over Newark, a Junior Varsity team. We defeated Mt. Pleasant 32-31 to end our pre-season play. After winning our first league game against Willow Glen 44-42 we were unable to win another game until our last 2 games. We defeated the 1st place team Leland 36-35 and got revenge against Lincoln, by winning our last game 48-43. Some players who stood out this year were Sal Cortez who was only all-league player and leading scorer with a total of 273 points. Also doing a great job were Gary Sanchez and Demetrius Johnson who were both leading rebounders with 47 each.

The Varsity team was in a building year. Much to the surprise of many people they placed third in the league. All league 1st team honors went to senior Lori Mukai averaging 14 points a game over her 4 year career and 8 rebounds. Lori Mukai is the finest shooter to play for S.J.H. in the past 8 years. Support was provided by all league 2nd team stand out Nilda Quidley and honorable mention to Regina Aning. Rounding out the squad were Lisa Wagner, Linda Patterson, Cindy Lemus, Annette Uchiyama, Valerye Moore, Susan Gonzales and Ceceila Aldana.

This 1980 Cross Country season was very productive for a young team, both boy's and girl's. Led by David Barres and Lenny Welch, the Varsity boy's ended the season with a 3 and 3 league record and 4th place overall in the league. Both Barres and Welch were voted Co-MVP's for the 1980 season. John Soto was voted as the most improved runner. The Varsity team will only lose two runner's next year to graduation, John Soto and Jose Posadas. Next season could be a strong year.

The Varsity girl's show to be very promising with many underclassmen participating this season. Berta Raposa was voted MVP for the girl's with Mary Ann Bondi and Espana being selected as Most Improved runners. With more and more people becoming interested in running long distance the future looks bright for San Jose.

When baseball rolls around at San Jose High each spring, it has become a rebuilding process, and this year is no different for Coach Dawson. Six sophomores, seven Juniors, and eight Seniors, make up this year's team.

I can only hope that these young men stay together this year and we can put together a competitive season.

Returning from last year's team are All Leaguers, Jacque Robinson and Mike Hoffman. Ken Tanase, a Junior and Fred McCasland are strong players at their positions. Coach Dawson is looking for a lot of help from newcomers Frank Martinez and Sophomore Booker Moore to caddy the Bulldogs to a productive season.

VARSITY BADMINTON

1981

The 1981 badminton season marked the first time for a co-educational program. The boys were included on a trial basis with 2 single players, one doubles, and a mixed doubles.

The girl's team returned every player from the previous year and have shown signs of vast improvement in skill and ability. We will be competitive in team league play this year, as we have a lot of depth in each position as well as a group of players that are working very hard. This group includes seniors Naomi Nanez, Sharlene Vite, Liz Rodriguez and Angela Rocco who are contributing to the success of our team. We also have other outstanding players as Olga Tran, Anita Rangel, Yolanda Brava who are also a solid part of the team.

The boys are a great addition as we have several outstanding players in VuBui, Dong-Trang, Nguyen Vu Bui, Dinh.

G.A.A. SOFTBALL

This year's team was young but strong. Outstanding pitching by Regina Aning carried the Bulldogs into S.T.A.L. playoffs. Power batter Lisa Wagner, steady short stop play by freshman Jessica Gloria, and outstanding centerfield coverage by Nilda Quidley made the team a solid contender.

DAYBREAK-

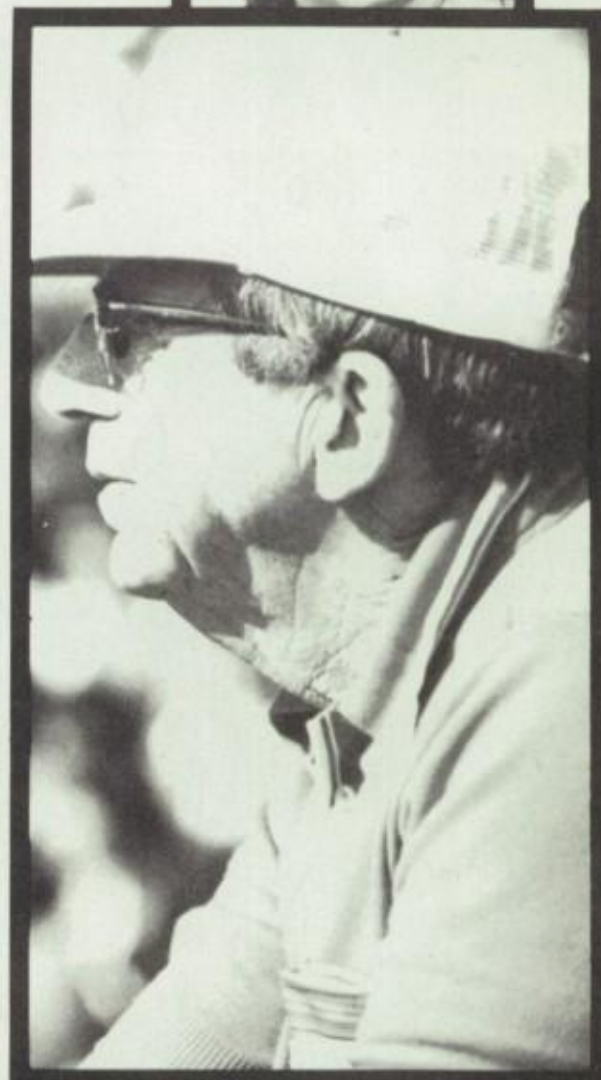

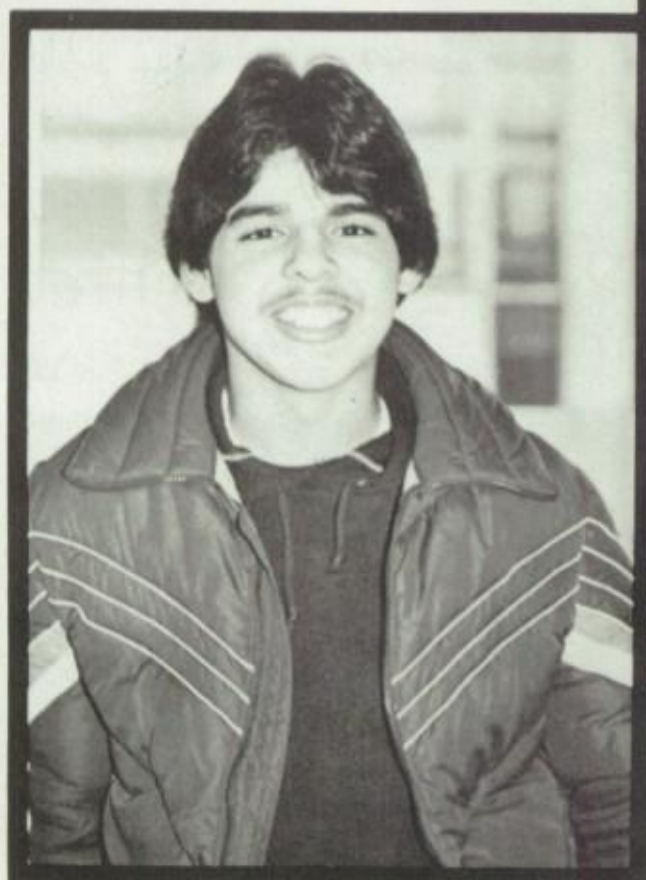

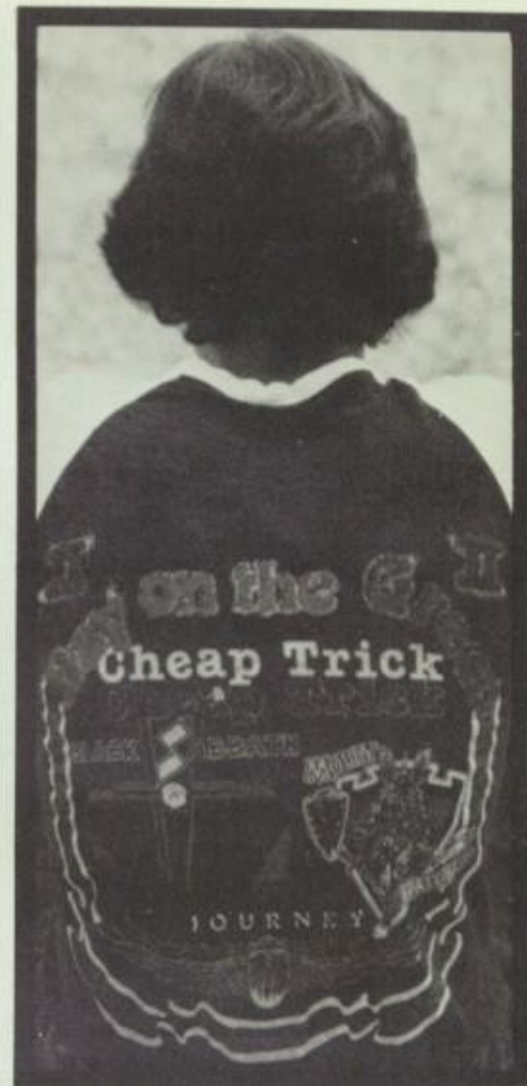

The Dawning of a new Spirit-
The Dawning of a new Day-
This is San Jose High-1980-1981

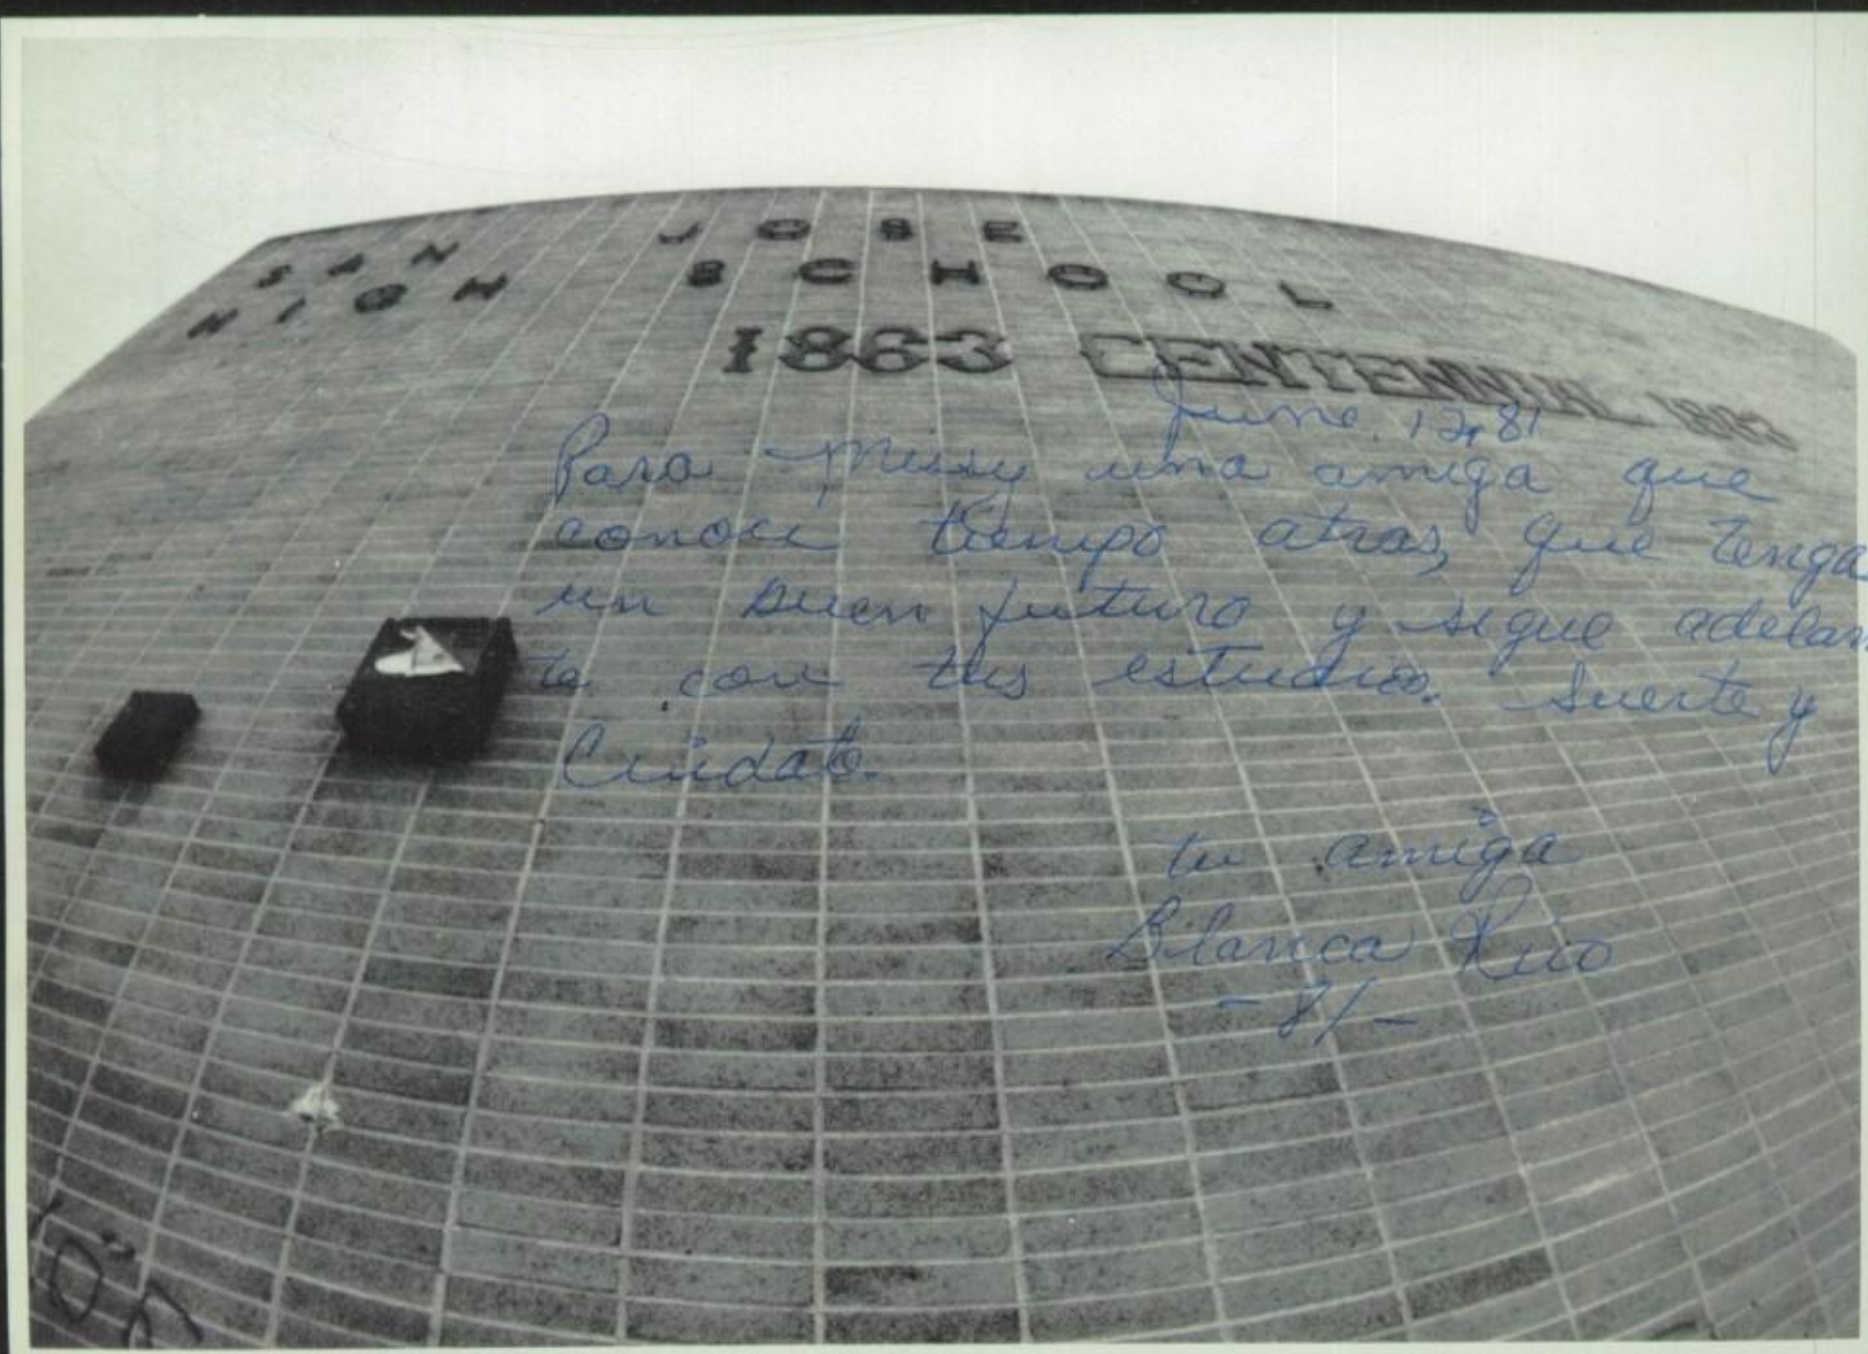

NO ONE ALLOWED ASHORE
WITHOUT A PASS

As Freshmen, we entered San Jose High School apprehensive about the next four years; overwhelmed by the building, the classes and the number of students.

As seniors, we reflect upon the past and find that San Jose High has been our home for four years. We leave with the ability to get along with others of different backgrounds; with the knowledge we need to get along in life; and with the willingness and desire to succeed and make our classmates proud.

San Jose High School offered each of us the opportunity to achieve whatever we desired. For that, the major goal of education, we say, "Thank You".

CONGRATS SENIORS!

Missy

Well another year has gone by which mean just that much closer to graduation. We just have to get through our last and most important year. I hope it will be as successful as this was for you. To Tell you the truth what can't be successful for you. I also want to congratulate ~~you~~ on your ASB office.

Well it was fun having you in another one of my classes, actually I felt privileged (I hope the spelling is correct) to have you so near me.

Well have fun over the summer and I ~~do~~ recommend that you read *The Prince* by Machiavelli. over the summer. It will help you in your position as long as you don't agree with him. Don't forget to call me so we can beautify our school.

Be prepared for 2
very special year next

Good Luck, and

 SO LONG

Missy,

Let's see now how long has it
 been since we first met, 4 years I think.
 And boy its been a great four years.
 I'd like to thank you for being part
 of them and for also being my friend.
 What a friend, you're the sweetest, nicest
 girl and also very, very intelligent, but
 what's so special about you is that
 you're always there whenever I need you.
 Truthfully, you're the kind of friend anyone
 would be proud to have. Well enough,
 compliments, for now I'd like to wish
 the best Summer ever, as well as all
 the luck in the world, for you deserve it.

P.S. I'll miss you so keep in
 touch and let's
 Make '82 the Bestest.
 Love Always,

Melissa (or Missy, as they call you),
 I think I've met you in Mr. Pellet's
 ELP science class. I remember how lively
 and talkative you were. Two more years
 at San Jose High did not eliminate your
 attractive personality, but enhanced it.
